**Department of Commerce Cost Reduction Initative**
**PCs & Accessories Contract**
**Ordering Instructions**

**Summary/Background**:

The Department of Commerce (DoC) awarded a single Custom User Purchasing Agreement (CUPA) with Intelligent Decisions under the NASA SEWP IV vehicle, to establish a department-wide procurement vehicle for the acquisition of Personal Computers, Monitors, Accessories, and Services. This is a mandatory use vehicle for the DoC, and this document provides guidance on how to order PCs & Accessories under this contract.

**Order Placement**

Only orders placed by a Contracting Officer or a Bureau authorized purchase card holder shall be fulfilled under this agreement.

Order placement via phone, email or through an Online Ordering Portal website shall be accepted.

It is recommended that all orders placed under this agreement be placed and tracked through a DoC-specific Online Ordering Portal. The Portal will be available mid-March 2012. Until that time, please place orders through email or phone with the points of contact listed below.

Order Submission:
     Online Ordering Portal: TBD mid March
     Email: akimmel@intelligent.net or jgornik@intelligent.net
     Phone: Amanda Kimmel 703-554-175 or Jenn Gornik 703-554-1733
     Fax: 703-554-1952 or 703-554-1933

**Order Payment - Acceptance of Government Purchase Cards**

The Contractor is required to accept the GSA SmartPay card and purchase orders for orders issued against the agreement.

**Products & Services Offered:**

A detailed list of products and services offered under this contract can be found on the following pages.

## PCs & Accessories Product List:

| STANDARD LAPTOP CONFIGURATION | | | | |
|---|---|---|---|---|
| **ITEM NUMBER** | **COMPONENT** | | | **PRICE** |
| ITEM# 1001 | PROCESSOR | BASE | Intel Core i5-2520M, 2.50GHz, 3MB Cache | $905.54 |
| | RAM | BASE | 4.0GB | |
| | PRIMARY STORAGE | BASE | 250GB 7200rpm SATA Hard Drive | |
| | GRAPHICS CONTROLLER | BASE | Standard HD graphics controller, HDMI, VGA | |
| | NETWORK CARD | BASE | 1 GB NIC / Wireless G- and N-enabled | |
| | DVD-ROM DRIVE | BASE | 8x DVD+/-RW (or higher) | |
| | SCREEN SIZE & WEIGHT | BASE | 14.0" 4-5 lbs | |
| | AIR CARD | BASE | [Not available on Base Configuration] | |
| | ADVANCED VIRTUAL MANAGEBILITY | BASE | [Not available on Base Configuration] | |
| | WEBCAM | BASE | [Not available on Base Configuration] | |
| | OPERATING SYSTEM | BASE | Windows 7 - 64 Bit | |
| | WARRANTY | BASE | 3 Year Basic Hardware Service with 3 Year Remote Diagnostic Service | |
| | BATTERY | BASE | Lithium Ion Battery (min. 4 operating hours) | |
| | KEYBOARD | BASE | Built in keyboard and track pad | |
| | ETHERNET PORT | BASE | 100/1000 Ethernet port | |
| | SPEAKERS | BASE | Integrated stereo speakers | |
| | USB PORTS | BASE | Minimum of four USB ports, with the preference that one be a USB 3.0 port | |
| | OTHER PORTS | BASE | Headphone, Microphone, Docking Station, Keyboard, Mouse, AC power Supply, VGA, DVI or Display Port to DVI dongle adapter, Display Port | |
| | SECURITY | BASE | Smartcard Reader technology Required | |
| | FINGERPRINT READER | BASE | Fingerprint Reader Required | |

| ITEM# 1001-A | RAM | OPTION | 8.0GB | $140.32 |
|---|---|---|---|---|
| ITEM# 1001-B | PRIMARY STORAGE | OPTION | 500GB 7200rpm SATA Hard Drive | $64.14 |
| ITEM# 1001-C | AIR CARD | OPTION | Brand-Agnostic Aircard | $100.23 |
| ITEM# 1001-D | ADVANCED VIRTUAL MANAGEBILITY | OPTION | Intel VPro or AMD equivalent | $16.04 |
| ITEM# 1001-E | WEBCAM | OPTION | Built-in Webcam | $24.05 |
| ITEM# 1001-F | OPERATING SYSTEM | OPTION | Linux | -- |
| ITEM# 1001-G | WARRANTY | OPTION | 3 Year "Enhanced" Hardware Service with 3 Year Next Business Day (NBD) Limited Onsite Service After Remote Diagnosis | $63.34 |
| ITEM# 1001-H | WARRANTY | OPTION | 4 Year "Basic" Hardware Service with 4 Year Remote Diagnostic Service | $95.41 |
| ITEM# 1001-I | WARRANTY | OPTION | 4 Year "Enhanced" Hardware Service with 4 Year NBD Limited Onsite Service After Remote Diagnosis | $199.65 |
